Dear Prof. Bisztyga,

It is with great pleasure that I write to inform you of Prof. Izabela Gawłowicz's appointment to the Editorial Advisory Board of the *Journal of Learning Development in Higher Education (JLDHE)*. We are delighted to welcome Prof. Gawłowicz to the board and believe her expertise will be an asset to our publication.

The Editorial Advisory Board plays a crucial role in the success of *JLDHE*. Members provide strategic guidance on the journal's direction, contribute their knowledge during the peer-review process, and advocate for the journal within their respective fields.

Prof. Gawłowicz's impressive scholarly background and her insights and experience will be invaluable as we continue to develop the Journal as a leading publication in Learning Development. While her participation in the editorial process will undoubtedly elevate the journal's impact in the academic community, it will also confer benefits to both Prof. Gawłowicz and the University of Zielona Góra. We are confident that the role will provide her with invaluable opportunities for professional growth, networking, and collaborations with leading researchers and scholars from around the world, while enhancing the University's visibility and recognition within the broader academic landscape.

We are honoured to have Prof. Gawłowicz join our team and look forward to a fruitful partnership with her. We extend our sincere appreciation to the University for supporting and encouraging Prof. Gawłowicz's involvement in this endeavour.
